This book is intended as an aid to believers in developing a daily time of morning revival with the Lord in His word. At the same time, it provides a limited review of the International Training for Elders and Responsible Ones webcast from Anaheim, California, on October 8-10, 2021. The general subject of the training was "Meeting God's Need and Present Needs in the Lord's Recovery." Through intimate contact with the Lord in His word, the believers can be constituted with life and truth and thereby equipped to prophesy in the meetings of the church unto the building up of the Body of Christ.

desire and plan will remain in heaven, but it will not be carried out or fulfilled on the earth. God can carry out on earth what He has planned in heaven only when He finds people who will cooperate with Him. (CWWL, 1950-1951, vol. 2, "Serving according to Revelation," p. 231)

Today's Reading

God is omnipotent, but His omnipotence is subject to limitation because He must have certain conditions suitable for His working. The question is whether or not we are in the position for Him to show forth His power. I know that I cannot help God; I cannot further anything of His. But it is possible that something *of me* can hinder Him. Sin, unbelief, natural energy, etc., will hinder the very power of God. The Lord has to give us light to see what He can do, and He has to give us light also to see what we can hinder Him from doing. We can put Him into a position where He cannot do what He wants to do. The Creator of heaven and earth can be limited by us. May the Lord search our hearts and deal with us in a drastic way. Is there anything in us that is hindering Him? Are there props in our Christian life? Is there a leaning to sight or feeling or are we walking by faith? Is only God in our lives? He is our life and power, but are there plans, programs, that substitute for Him? Are we trusting Him to bring something out of nothing? Are we trusting Him to bring the dead back to life? He is always the God of resurrection. If we abide in Him, we will see light. It is not by self-examination that we find out what is hindering; it is by being before Him.

Now if Timothy comes, see that he is with you without fear; for he is working the work of the Lord, even as I am.

When God wanted to speak to the children of Israel and to work among them, He first asked Isaiah, "Whom shall I send? Who will go for Us?" ([Isa. 6:8](#)). Although God had already decided to speak to the children of Israel and to work in their midst, He had to find someone on earth who would work with Him according to His mind. God is still calling and looking for people. He wants to preach the gospel unto the uttermost part of the earth so that all the nations could receive His salvation ([Matt. 28:19](#); [Acts 1:8](#); [13:47](#)). However, He must first find and gain people on the earth
